Re: Salvador A. Rodriguez  
Docket: 4:04-CR-02233PJH

Dear Judge Hamilton:

I am in trial in Contra Costa County on People v Terraine Miller, Docket 05-100689-9. That trial is scheduled to conclude evidence the week of October 17, 2011. I had misunderstood Peggy Ruffra's information, and believed that the hearing was re-scheduled for November 14.

I have spoken with Ms. Ruffra, and we are both available from January 3 through January 13, 2012.

I would request a date during that period, or some other time that the Court would be available.

Thank you for your consideration on this matter.

Sincerely,

Linda Fullerton

EVIDENTIARY HEARING SET FOR FRIDAY
